Rishabh Kharwar

Frontend Developer & UI/UX Designer

😵 Profile

Motivated and ambitious IT student pursuing diploma in Information Technology, with strong skills in frontend development, UI/UX design, and web technologies like HTML, CSS, JavaScript, and React. Passionate about building scalable, user-friendly digital experiences and integrating AI into modern web solutions. Known for being a quick learner, creative thinker, and reliable team player with a strong foundation in both design and development.

💼 Employment History

UI Designer at Open Source Community

Designed intuitive, responsive UI layouts and collaborated with developers to improve user experience in open-source projects using tools like Figma.

📖 Education

12th Pass, Bloom Public School, Ghaziabad.

Passing year - 2024

I have passed my 12th standard from the CBSE board with Physics, Chemistry, and Mathematics (PCM) and secured 60% marks.

Diploma in Information Technology, Government Polytechnic Ghaziabad, Ghaziabad.

September 2024 - Present

I am currently pursuing a Diploma in Information Technology from Government Polytechnic, Ghaziabad. This program is helping me build a strong foundation in programming, web development, UI/UX design, and core IT concepts.

★ Projects

TaskMaster - Advance To Do App

Built an advanced to-do web app with tab-based task filtering (Today, Week, Month, Year), calendar-based date assignment, and localStorage for data persistence. Included features like edit/delete, light/dark mode, styled checkboxes, and a responsive, user-friendly UI using HTML, CSS, and JavaScript.
